Dear Members of The Kaufman Fund,

Thank you very much for your generous grant of to CHAMP Assistance Dogs, to help us place service dogs with veterans. We are very grateful for your support of our mission, and please know that this grant helps to change lives.

CHAMP Assistance Dogs is a 501(c)(3) non-profit organization which places skilled service dogs with people who have disabilities, to help them lead lives of greater independence. We place these specially trained dogs with these qualified partners *free-of-charge*. CHAMP is proud to provide service dogs for veterans, and your generous support helps to make this possible.

We also thank you for the check which represents CHAMP's share of the proceeds from the fundraiser at Raising Cane's on 11/7/18. We appreciated The Kaufman Fund inviting CHAMP to participate in that fundraiser and we are so glad that both of our organizations could benefit from the funds raised that day.

We are very grateful for The Kaufman Fund's ongoing support of CHAMP Assistance Dogs, and we look forward to placing more service dogs with veterans.

Sincerely,

Pam Budke  
Executive Director

Thank you to the Kaufman Fund for your very generous support and partnership. It is a pleasure and an honor to work with you.
